#### **§95.19 Changes to security practices and procedures.**

(a) Except as specified in paragraph (b) of this section, each licensee, certificate holder or other person shall obtain prior CSA approval for any proposed change to the name, location, security procedures and controls, or floor plan of the approved facility. A written description of the proposed change must be furnished to the CSA with copies to the Director, Division of Security, office of Administration, NRC, Washington, DC 20555-0001 (if NRC is not the CSA), and the NRC Regional Administrator of the cognizant Regional Office listed in appendix A of part 73. The CSA shall promptly respond in writing to all such proposals. Some examples of substantive changes requiring prior CSA approval include—

(1) A change in the approved facility's classified mail address; or

(2) A temporary or permanent change in the location of the approved facility (e.g., moving or relocating NRC's classified interest from one room or building to another).

(b) A licensee or other person may effect a minor, non-substantive change to an approved Standard Practice Procedures Plan for the safeguarding of classified information without receiving prior CSA approval, provided prompt notification of such minor change is furnished to the addresses noted in paragraph (a) of this section, and the change does not decrease the effectiveness of the Standard Practice Procedures Plan. Some examples of minor, non-substantive changes to the Standard Practice Procedures Plan include—

(1) The designation/appointment of a new facility security officer; or

(2) A revision to protective personnel patrol routine, provided the new rou-

#### **§95.20 Grant, denial or termination of facility clearance.**

The Division of Security shall provide notification in writing (or orally with written confirmation) to the licensee or other organization, of the Commission's grant, acceptance of another agency's Facility Clearance, denial, or termination of facility clearance. This information shall also be furnished to representatives of the NRC, NRC licensees, NRC certificate holders, NRC contractors, or other Federal agencies having a need to transmit classified information to the licensee or other person.

[62 FR 17692, Apr. 11, 1997]

#### **§95.21 Withdrawal of requests for facility clearance.**

When a request for facility clearance is to be withdrawn or canceled, the requester shall notify the NRC Division of Security immediately by telephone so that processing for this approval may be terminated. The notification must identify the full name of the individual requesting discontinuance, his position with the facility, and the full identification of the facility. The requestor shall confirm the telephone notification promptly in writing.

#### **§95.23 Termination of facility clearance.**

(a) Facility clearance will be terminated when—

(1) There is no longer a need to use, process, store, reproduce, transmit, transport or handle classified matter at the facility; or

(2) The Commission makes a determination that continued facility clearance is not in the interest of national security.

(b) When facility clearance is terminated, the licensee or other person will
